REVIEW OF INTER-FACULTY TRANSFER

This is to inform you that the Senate at its 284th meeting held on Wednesday, 30th April, 2014 took a decision and further directed that henceforth there should be interfaculty transfer for only the students who are studying professional courses.

For avoidance of doubt, the professional courses are those in the College of Health Sciences and Faculties of Law, Veterinary Medicine, Pharmaceutical Sciences and Medical Laboratory Sciences.

Thank You

Signed
